Аннотация

НЕЗАКОННОЕ ПОТРЕБЛЕНИЕ НАРКОТИЧЕСКИХ СРЕДСТВ, ПСИХОТРОПНЫХ ВЕЩЕСТВ, ИХ АНАЛОГОВ ПРИЧИНЯЕТ ВРЕД ЗДОРОВЬЮ, ИХ НЕЗАКОННЫЙ ОБОРОТ ЗАПРЕЩЕН И ВЛЕЧЕТ УСТАНОВЛЕННУЮ ЗАКОНОДАТЕЛЬСТВОМ ОТВЕТСТВЕННОСТЬ.

Иногда мы слышим в любимой песне совсем не то, что поёт певец. Незнакомые слова сливаются, звуки меняются местами, а мозг услужливо подставляет знакомую фразу. Так рождаются мондегрины — забавные ослышки, способные превратить серьёзный текст в настоящий абсурд. В этой подборке собраны десятки таких случаев из битловских песен: от широко известных до забытых. Некоторые из них удивительно смешны, другие совершенно нелепы, но каждый показывает, насколько причудливо работает наш слух и воображение.

Иногда мы слышим в песне совсем не то, что на самом деле поёт исполнитель. Особенно часто это происходит с иностранными песнями: слова сливаются, отдельные звуки теряются, а мозг, не желая мириться с непонятным, услужливо подставляет знакомые слова. Так рождаются мондегрины — забавные ослышки, которые порой превращают вполне серьёзный текст в совершенно неожиданный.

С битловскими песнями это случалось особенно часто. Их музыку слушали миллионы людей по всему миру, и многие были уверены, что прекрасно знают слова любимых песен, пока однажды не заглянули в текст оригинала. Оказывалось, что вместо одного слова они годами слышали другое, а иногда из нескольких строк складывалась совершенно новая, порой абсурдная история.

В этой подборке собраны такие ослышки — от широко известных до редких, сохранившихся в воспоминаниях отдельных слушателей. Здесь есть и классические мондегрины, и совершенно невероятные варианты, в которые трудно поверить, пока не услышишь исходную запись.

Впрочем, ослышка — это не просто ошибка. Она показывает, насколько своеобразно работает человеческий слух. Мы не только воспринимаем звуки, но и постоянно пытаемся понять их, найти в них знакомый смысл и связать услышанное в цельную картину.

Поэтому иногда достаточно одной случайно услышанной строчки, чтобы знакомая песня на всю жизнь приобрела для нас совершенно другой текст.

When «A Hard Day's Night' appears in Danish songbooks, it invariably sprouts this line (that is, the misheard one). It might be fair to surmise that the mishearing has been comitted at a fairly early point in the song's career. Of course, it might be equally fair to suggest, that maybe it is the internationally

accepted version that stems from an ancient mishearing.

«Bad Boy»
Misheard Lyrics:
A bad little kid moved into my neighbourhood
He won't do nothing right — just'n sittin' there and look so good
He don't wanna go to school and learn to read and write
Just sits around the house and plays that rock and roll music all night
Well, he put two tacks on teachers chair
Puts ya numb and lose your hair
Now junior, behave yourself
Buy every rock and roll book on the magazine stand
Every dime that he get (oooh) — he's off to the jukebox man
Well, he wore his windcheater till at night it's a-ready to poop
From rocking and a-rolling spinning in a hula hoop
Well, this rock and roll has got to stop
Junior's head is hot as rock

Now junior, behave yourself
Gonna tell your mama, you better do what she said
Get to the boppin' shop and get that haircut off your head
He took your canary and he fed it to the neighbors cat
He gave the cocker spaniel a bath in mother's laundromat
Well, this mama's mess has got to stop
Junior's head is hot as rock
Now junior, behave yourself (wooo)
Original Lyrics:
A bad little kid moved into my neighborhood
He won't do nothing right just sittin' down and look so good
He don't wanna go to school and learn to read and write
Just sits around the house and plays the rock and roll music all night
Well, he put some tacks on teachers chair
Puts chewing gum in little girl's hair
Now junior, behave yourself
Buy every rock and roll book on the magazine stand
Every dime that he get (oooh) is lost to the jukebox man
Well, he worries his teacher till at night she's a-ready to poop
From rocking and a-rolling spinning in a hula hoop
Well, this rock and roll has got to stop
Junior's head is hard as rock
Now junior, behave yourself
Gonna tell your mama, you better do what she said
Get to the barber shop and get that hair cut off your head
He took your canary and he fed it to the neighbors cat
He gave the cocker spaniel a bath in mother's laundromat
Well, your mama's head has got to stop

Junior's head is hard as rock
Now junior, behave yourself (wooo)
I especially like «Junior's head is hot as rock'. My lyrics make much more sense — how can he worry his teacher if he doesn't go to school?
