Amazing South Africa. Kaleidoscope of Questions. General Information

South Africa General 1

When does a country not have national borders? The Limpopo National Park covers an area of 4 million hectares and is located not only in South Africa but also in two other countries — Zimbabwe and Mozambique. Within the park, there are no national borders — by mutual agreement, the authorities of the three countries decided to eliminate them to simplify tourism. South Africa borders Namibia, Botswana, and Zimbabwe to the north, and Mozambique and Eswatini to the northeast. Inside South Africa's territory lies the enclave state of Lesotho, and the country's area is five times larger than the area of...
