

The background of the cover is a photograph of a landscape. A vibrant rainbow arches across a blue sky with some light clouds. Below the sky is a dense green forest, and in the foreground, there is a field of tilled earth, possibly a vineyard or a similar agricultural field. The entire cover is framed by a thin golden line. In the corners, there are elaborate golden floral and leaf motifs. The text is rendered in a golden, slightly textured font.

Table of CONTENTS

The moon reflects in the river
The sky darkened. The sun is hiding
The snow falls kinda winter came
The snow is falling now again
The snow is melting slowly
Look my love at sparkling stars
Today the sun shines bright
How good to walk with you in the rain
You hold my hand, I'm holding yours
The spring
The sun is shining,
When you are close to me
When you speak with someone
The sun is hiding in the cloud

Like the sun shines bright
For being night sky for your star
The sun is shining so bright
I'd like to walk with you again
It's warm outside like in summer
Birds are singing in the night
I know everything is not vain
The sun and you
Hi! Let's go my darling
Clouds smile for you
Flame of my heart
I'm closing my eyes
I love you so much
The sun is shining
The spring is going to appear
I want to send to my princess
Morning, the first day of the spring
The winter is angry, spring attacks
The sun is heating me in the spring
The sun shines, it's almost warm
A sunny day, the spring is here
The snow still whitens the ground
The night sky sparkles in the lake
The night is so beautiful my dear
How nice today, the sun is shining
It's good to stand next to you

The sun is shining very bright
Half an hour left till your wake-up
Sometimes I am kinda butterfly
The night is beautiful and awesome
There was a blizzard last night
I love every day and every hour
Tomorrow morning will be kind
Honey, let's walk together in the May
The sun will shine in every raindrop
Today we are together in the rain
Sunlights are glowing with care
White clouds are melting in the sky
The sun rises, it shines like you
Good morning my lady
The sky is clouded over
Hello honey! How did you sleep?
The air is refreshing in the night
The June is beautiful in the rain
