TABLE OF CONTENTS

I love you! You are amazing!
In the morning I woke up feeling
We are walking in the night
You joke at me. What do I feel?
Honey, I cannot stop admiring
I love you, you are charming
It's cold outside
I love the way my darling looking
My lovely, you are amazing
With you, my love
My heart burns with a flame
Lovely honey is sleeping now
I know my place
My resolution is to love her
The sun is shining
My lovely girl wants to lead me
Your smile heats so much

Friday night, it's such a view
Clouds disappear above
My dear, you're so cute
How good to meet you, dear love!
I love you dear, I've no idea
I know everything is not vain
Night city is being asleep
I'm lying in bed
The thick of earth separates us
Thursday is a thirsty day
My life is wonderful with you
I love my girl, she is so kind
I'm looking at you through the phone
When I go to sleep I hope to see you
How good to see you in my life
The spring is going to appear
The night sky is full of stars
The star is falling on the earth
I want you in your gym
The moonlight is on the floor
You know, you're light for me
Today the sun is shining very bright
You have the most beautiful voice
The time flies very fast
I am losing my control
Night sky is sparkling in the lake

You're beautiful like a flower
I wake up in the morning and
Though our love is virtual
Marry me! You'll be my princess
I love you lady, you are amazing
Sometimes I am kinda butterfly
I'm not living without you
You are shining so bright
I'm thinking of you
I'm searching for you
Why can't we be together?
Please, dear, write to me
I miss you, dear, call me back
I love you more and more
I want to care about you
I will be always next to you
I remember I've seen a dream of you
Twelve thousand miles between us
My love is very far from here
Day after night, night after day
My dear love, I am with you
I feel so warm inside of me
My dear love, we live apart
I'm very thankful to my lady
When you are close to me
The snow is melting on the street

Everything seems to be apart
Don't take it as a personal attack
The sun shines, very bright
Night stars sparkle in the sky
Even when my heart is heavy
I'm sorry dear that today
Everything is perfect in you
I'm very thankful to my lady
The sun rises, it shines like you
Honey, you live somewhere
Dear, you are my only one
Train's sounds come from afar
My happy time to think of you
Every time I look at you, my love
I have the warmest feeling
I miss my lady, she doesn't know
I strive for you with my soul
Love for her is like an obsession
My lady, you're one of the kind
Lovely lady, you are awesome
Forever grateful to beloved wife
My destiny, I always want to know

ACKNOWLEDGMENTS

I'm very thankful to the woman I love for inspiration. I'm very grateful to my family for supporting me during the time I was writing my poetry.

Whoever you are! I'm very thankful to you for reading this book. These lovely poems are just for you.

I love you! You are amazing!

You look stunning in your dress
You're more beautiful than daisy
Be always gorgeous like princess

It is good to see you, lovely lady
I love you more than anything!
Honey, you mean so much to me
Please, dear, tell me something!

In the morning I woke up feeling

I love you more than the shining sun
I didn't move just watched the ceiling
Thinking of gravity, I can't outrun

I'm imagining dreamland with you
My love is like a never-ending story
Full of feelings, good emotions too
Pleasant moments and a bit of worry

I move around you kinda satellite
Like the moon, I only look at you
You're my earth and shining light
I'm sending you a bit of light too
