TABLE OF CONTENTS

You and me, are drinking tea
Hello, my dear, I love you
I want to bring you a cup of tea
The best time of my life
The sun is shining,
Till the next morning
I'm going to bring her green tea
I'm walking in the night
You are beautiful like a flower
My lovely woman, after all
How good to see you
I love you with all my heart
When I see my lovely lady
When I see you, I am alive
My lovely dear angry at me
I always want to cheer up my lady
The sun is shining very bright
The sun is heating me in the spring

I'm so thrilled to say to you hi
I invited lovely wife and her young Ma
Alive again, I love you honey
I like to walk with you together
Writing you a poem I fell asleep
My love likes to speak at me
You're gorgeous like a swan
My dear, you are my home
My love inspires me to be better
The moon reflects in the river
If something bothers you
Dear wife, I want to thank you
I miss you, dear, during the day
The night sky sparkles in the lake
I love her, she's so charming
I miss you dear day and night
You want me to learn a lot
I'm so afraid to lose my love
I want to hug you lovely lady
I saw you once and understood
My dear is my best friend
Morning Sunday is so sunny
Tomorrow all will be different
My heart beats like the time
Where you go the flowers blossom
Though our love is virtual
It seems to me that I love you
It's good to stand next to you
More than life I love you beauty
My precious love, my honey
How good it to be with you
My life became much better
How nice today, so much fun!
You mean so much to me
I want to spend with you my life
I like your singing
Today is a very beautiful day
Marry me! You'll be my princess
Good morning!
Good night!
Many miles away
My love is always kind to me
I want to send to my princess
I dream with you to see the sunset
I'll sit close to you at the night
You'll never imagine
Don't worry
I love every day and every hour
Tomorrow morning will be kind

Let's walk together in May
Twelve thousand miles between us
My love is very far from here
The snow is melted on the street
Dear wife, you are super smart
When you are close to me
I love you to the moon and back
Sunlights are glowing with a care
Even when my heart is heavy
Wake up my dear friend
I'm very thankful to my lady
Soon my lovely wife will wake-up
We're walking on a warm night
So much warm love in me
Good night! Sleep tight!
Good morning my lady
My wife is beautiful like freesia
My lovely wife is doing great
I love her, she likes teasing me
I love my lady for being calm
I have got the warmest feelings
Hello honey! How did you sleep?
Dear lovely wife, I need you
Teach me how to live
I will be trusting my wife

ACKNOWLEDGMENTS

I am very thankful to the woman I love for inspiration. I'm very grateful to my family for supporting me during the time I was writing my poetry.

Whoever you are! I'm very thankful to you for reading this book. These lovely poems are just for you.

You and me, are drinking tea

I want to listen to you infinitely
You like to talk about your work
And that tomorrow we'll be at a walk

I always like to walk with you
I'm glad to hear this from you
I am going to live my life with you
My life with you is a dream comes true

Hello, my dear, I love you

How was your day today?
I have already missed you
Waited, looking on the way

I watched road missing you
I'm choked because of love
You see how much I love you
I love you, dear, more than life

I'm happy to see you home again
I love you more than this sunset
I love you more than sun and rain
I love to feel you. It's my mindset

I want to bring you a cup of tea

I want to care about you dear
I love you so..., my lovely lady
Aren't you glad that I'm here?

Let's sit together in a silence
Just to feel you and your soul
Just to observe your brilliance
Just to think with you the whole

The best time of my life

When I'm writing to you
I'd like to express my love
To say how much I love you

Love for you is the best thing
That happened in my life
I love you more than anything
Good night my precious love

The sun is shining,

It shines for you
The clouds are smiling
They love you too

You look admiring
At nature's beauty
The spring is coming
Let's drink green tea

I love to see you
And how you smell
Here are flowers for you
I have found as well

Till the next morning

I'll be in front of you
You will be sleeping
I'll be a guard for you

I'll be sitting in silence,
Protecting your dream,
Admiring your brilliance
In the light of the moonbeam
