My heart is heavy, I am in love
I wanna send you everything
You broke my heart I'm dying
You are beautiful like a flower
My lady is missing me today
It's cold and wet outside
The battery is very low
We like to stick together
When I see you, I'm on fire
The sun is shining after the rain
Don't call me a wet blanket!
Honey, my universe is you
New day becomes so bright
Nice day! Amazing you!
I look at you, into your eyes
I'm chasing a train
November came with snow
It's cozy time to hug you tight
Far away the lights of Hollywood
If I would go to heaven first
When my love is far from me
I love you now, today, forever
You and me, Thanksgiving Day!
I love you girl, you are so cute
Let's talk about your dog
My sunshine take a look at me

The snow is on the ground
The joy of love lasts a moment
The joy of love lasts a moment
At any time, in any weather
The winter came, the sun shines
It's heavy snowing in the night
You and me like milk and honey
Sunday morning, the sun is glowing
The sun reflects from the ice
You are in my heart forever
You're running to me
Birds are singing on the tree
Love you for many years
Love for you is what I have
The night is dark and cold
The sun shines through the tree
The Christmas tree is ready
Things seem unimportant
It's snowing now, lots of snow
It's cold, so cold, but it's okay
We're together, lying on the beach
This is for sure. We'll be together!
How was your day? How're you?
I've got no excuses
My love, I want to be with you!
I can't remember my first love

I want to stay with you
I always check the internet
I always want to be with you
The moon is flowing in the lake
You sent me a sign, an olive tree
You are the girl I love the most
I want you to marry me
I will never be with you
I beg you please forgive me
I am in love, love you forever
I can't believe my eyes
I captured every moment
I haven't time for a distraction
I cannot dream anymore
You touch my heart. It cries
A new day has started great!
I can't explain all my feelings
I miss you. I can't wait
This is too late I'm lost already
I love you. This is forever
Every night I look at you
I'm not your type. So what?
Look at me like in the mirror
Lovely girl, you are amazing
Oh my God, she is so amazing
I think of her. She is my honey.

Your smile is always in my mind
You are inclined to be moody

ACKNOWLEDGMENTS

I am very thankful to the woman I love for inspiration. I'm very grateful to my family for supporting me during the time I was writing my poetry.

Whoever you are! I'm very thankful to you for reading this book. These lovely poems are just for you.

I sleep a lot, I miss you cutie

Birds are singing on the tree
The raindrops fall one by one
I miss you more than anyone

Dumper truck noises from afar
The room is filled with vibration
I think I'm stuck to make or mar
I think of you, the bloom of carnation

Cold air is coming into the window

It smells like winter is so close
Trees are bending in the wind blow
All people changed their clothes

September is coming to an end
Today it's raining cats and dogs
I am missing you, my girlfriend,
Our nights with songs of frogs

My girlfriend likes autumn

She loves to play with leaves
She is so good and awesome
I joke at her and she believes

She is my best friend to me
She loves me in her own way
Sending posts, they are empty
I guess she missed me today

The weather is so warm today

Birds sing kinda spring came
Only fallen leaves on my way
Witness it won't be the same

Winter will change this view
But it can't change one thing
I will be always in love with you
You're my one and everything

You are so important in my life

I'd like to take you for a stroll
I love to walk with you, my wife
Honey, I love you most of all

We'll be walking just you and me
Golden trees look so mesmerizing
But I will be looking at you, my cutie
You are so pretty, you are amazing

... Wow, look over here, honey!
Two pumpkins lie under the tree
They are so cute like you and me
I want to spend my life with you
Cause I can't live without my lady

Love exists between you and I

I think about you, I often smile

I am so happy, I want to fly

Let's walk together for a while

I want to tell you about my love

You know, I'm so happy to see you

I've been waiting for you all my life

Wow! Look! What a beautiful view!

I have so much love

For you, my only life
I can't get enough
Of you, my future wife

Believe, you are my life
I can't live without you
I feel in me a bitter strife
I'll win it... to be with you

You are the light of my life

You are the beat of my heart

You are the sun in my day

You shine brightly in my way

You are a breeze in my sky

You're the waves in my ocean

Your cute smile makes me fly

I love you with all devotion

I will be always on your side

You are a star I want to collide
You're more than just a dream
I love you more than anything

I love sharing my life with you
You gave meaning to my life
I fell in love before I even knew
That you are the love of my life

Morning! What a beautiful day

I look at you. I'm happy as a king
I'm glad to meet you on my way
It's hard to imagine a better thing

I am so thrilled to see your smile!
This is so wonderful! Is it for real?
I want to stop the time for a while
To believe it's you. This is surreal!

My love has some doubts

If I can write for her poem
She is in LA or thereabouts
She doesn't know who I am

I have nothing to prove her
I should better start to write
One day we'll walk together
She'll admit she wasn't right

Honey, I couldn't write you earlier

It's not my fault, I'm sorry Ma'am
I was rushing to you like a meteor
No honey, I wasn't in a traffic jam

I never cheat you, I meant no harm
Oh, I missed you too, to my despair
It was a server's error of Instagram
No, I didn't do this, beautiful, I swear!

My love is so deep

I think about you
I don't want to sleep
Just dreaming of you

You are my dream
I can't live without you
I'd like to be your team
Because I miss you

I dream to hug you dear
And whisper on your ear
I'm so glad to be with you
Will you marry me? I need you

Wow! What a beautiful day

The sun is shining now
Love, I'm under your sway
I'm yours. Hearest thou?

I'm observing your beauty
I have no words to describe
You are perfect absolutely
Do you feel my loving vibe?

You are like lily of the valley
I'm a fan of your fragrance
I'm in love! I know it exactly!
May I ask you for a chance?

Evening! Shadows of the house

Are taking the sun from my place
I think about you, beloved spouse
I miss your smile, I miss your face

Thousands of miles make us apart
My life, you are always in my heart
I can't see you. I can't hug you tight
Please come into my dream tonight!

I want to love you all my life

To see your eyes in the morning
To touch you and to call "my wife"
You are so cool and never boring

You'll be mine and I'll be yours
I'll be listening to all your words
We'll never want to get a divorce
We'll be together like two birds
