One morning, while walking near an old oak tree, Drakosha noticed something shiny in the grass. It was an old box.

Inside was an old map with a red cross marking where the treasure was hidden.

«Treasure? A real treasure? What an adventure!» Drakosha exclaimed happily.

He ran home with his precious find.

When he got home, Drakosha put the box on the table, took the map and immediately set off, taking a basket and a small shovel with him.
