A LETTER TO THE READER

Blessings to you, my dear readers and fellow travelers.

I am glad that our paths have crossed once more.

May this collection of prayers bring you joy, spiritual fellowship, abundant grace and the fullness of divine love.

INTRODUCTION

Peace be with you, my dear readers. Now I present to you the next chapter in this journey of prayer. The first book, entitled «Prayers for Healing of Ancestral Lineage and Daily Prayers», was published in 2024. After the first book, I felt inspired to write another. It is intended to guide you in your daily life, to be read and cherished day by day.

Chapter 1

1.1 Prayer to Archangel Michael and the Angels of Protection

Archangel Michael and the Angels of Protection, I call upon you for protection and safety for myself, my family and my loved ones, and for all who are in need of protection and safety according to the Will of the Most High. I pray for the neutralization and clearing of all negative energy and negative situations. Archangel Michael and the Angels of Protection, together with you, I co-create a space of protection and safety wherever I am, within my country, and upon our planet Earth.

Archangel Michael and the Angels of Protection, I give thanks for your all-encompassing spiritual and physical guardianship. My deepest gratitude goes out to you for your daily labor in shielding our World, and I praise you for filling me with the Blue Ray of the Most High.

1.2 Prayer to Archangel Jophiel and the Angels of Insight

I call upon Archangel Jophiel and the Angels of Insight, I pray that you fill my mind with wisdom and divine knowledge to support my evolution along the sacred path.
