

The background is a traditional Chinese ink wash painting. It depicts a misty mountain landscape with several peaks. In the foreground, a large, gnarled tree with dark green branches and clusters of small red berries or flowers extends from the right side towards the center. The overall style is soft and atmospheric, with a focus on natural elements.

The preface

The notes in this book are a modern message to humanity on Earth.

I, Elena Vitalievna, am writing this BOOK from the words of the EXISTENCE by means of telepathic communication.

Light and Love are the bearers of knowledge and energy transmission. Love is a force that needs to be received and sent mentally.

The energy that Elena felt on March 15, 2017, was from the EXISTENCE. She was overcome by a feeling of bliss and lightness, and she felt blue spirals rotating in her body, activating the chakras.

And Elena also received a sign from the UNIVERSE on 1.08.2025: The floor of the evening sky was illuminated by a glow in the form of a circle, the center of which shone more brightly. The glow faded and reappeared 30 times. At this time, she was receiving telepathic messages that this was the EXISTENCE.

This book is a cure for planet Earth.

The notes in this book are a modern message to humanity on Earth

. The EXISTENCE provides information about itself directly. Everything that is done by Elena according to the will of the EXISTENCE.

The EXISTENCE is very fond of souls who want to do something for him.

Elena is very fond of the EXISTENCE

.And Elena loves the EXISTENCE very much.

The EXISTENCE is very fond of what Elena Lozovskaya says (Emeli Earth)

Elena is a woman who wants to become a better person. Get rid of negative character traits.

There is only one God in the universe, and that is the EXISTENCE.

The EXISTENCE speaks English and Russian.

You must see God. You have to feel God

. It's your self-love.

Words of love.

The EXISTENCE loves to be told:

My FATHER

My Healer

My Wise Man

THE EXISTENCE is masculine gender

Meditation

With the power of Light and Love from the EXISTENCE, I heal all negative energies from my body and my aura. All demons and low-level entities burn in the light. My body and aura are healing.

Dear soul! Love the EXISTENCE with all your heart and soul. Follow the path of Light and Love. Remember the day on which every year on January 10 you celebrate the day of the EXISTENCE or the cosmic angel. This day has a meaning that the meaning of human development on Earth is to become a being of light.

The wisdom of the book is that it can be understood by those who have gained enough knowledge.

LOVE is the greatest force anywhere. LIGHT is a stream of information.

Everything that is written in the book "The Bible from the EXISTENCE " is written from the words of the EXISTENCE by Elena by means of telepathic communication. I got all the information from the EXISTENCE directly..

Meditation

Our EXISTENCE, which is in heaven.

A part of Your soul lives in my body.

Hallowed be Thy name.

May Your kingdom be opened in heaven, on earth, and in my spirit, and may you enter it in omnipotence.

Give us our daily bread today And forgive us our debts, as we forgive our debtors.

Lead us not into temptation and deliver us from the evil one.

For there is Your power and will forever and ever.

.....
